## CLIENT FEEDBACK

"Many of our ladies have expressed that Denise was the best speaker we've ever had. I don't disagree! God's goodness and grace shine through Denise. Not only is she an excellent speaker, but she exudes warmth and the love of Christ. God's anointing on her life is powerfully demonstrated through her compelling testimony of redemption and a clear and cohesive presentation of Scripture. As a ministry leader, I couldn't ask for more; Denise was an excellent communicator and so easy to work with. We are looking forward to having her back again!"
