**Episode #7: What Does Jesus Really Think About Divorce?**

Have you struggled to understand what the Bible says about divorce? Some beliefs I had about divorce were handed down to me. I think that's the thing with theology. We have things handed down to us that we don't ever examine for ourselves to see what scripture is really saying. Then, when devastating circumstances happen, we aren't prepared and don't know how to navigate traumatic events. Listen in as biblical scholars weigh in on this difficult topic of divorce. But more importantly, listen in to what Jesus is saying and what He isn't saying in today's episode of Theology at Home. Read the Scriptures below and pray and ask the Holy Spirit to teach you.

**NT: Matthew 5:31-32; Mathew 19:9; Luke 16:18; 1 Cor 7:10-11; 7:39; Rom 7:2;**

**OT: Exodus 21:10-11; Deuteronomy 24:1-4; Malachi 2:13-16**

Questions to ponder:

- 1) When is divorce allowed in Scripture?
- 2) What did you think of the different views expressed by several biblical scholars?
